OSU "ANDES ADVENTURE" in PERÚ
March 12-22, 2020

DEPARTMENT OF NATURAL RESOURCE ECOLOGY & MANAGEMENT (NREM)
OKLAHOMA STATE UNIVERSITY

TRIP PLANNING DETAILS, COSTS & DEADLINES

TRIP DATES:
Depart Stillwater on Thursday, March 12, 2020
Return to Stillwater on Sunday, March 22, 2020

DEADLINE FOR SIGNING UP: November 25, 2019

PROGRAM COST.................................................................$3555.00
Includes lodging, ground and water transportation, entrance fees, tour and program fees, guide fees, OSU-required travel and medical insurance, and most meals (see below for details on payment for out-of-program meals).

This will be billed to student Bursar accounts in three monthly installments of $1185 in January, February and March, 2020.

AIRFARE (as of October 10, 2019; subject to change)
International flight: Stillwater to Lima, Peru (round-trip):...............$1228.00
Domestic flight: Lima to Cusco, Peru (one-way)........................68.00
Domestic flight: Juliaca to Lima, Peru (one-way)........................158.00
Total airfare cost..................................................................$1454.00

Airline tickets will be purchased individually by each student under the direction of Dr. Kuzmic to ensure that everyone is on the correct flights. Fares could increase or decrease between now and the time of ticket purchase. Participants must be prepared to purchase tickets at the time that this trip fills, but no later than the first week in December.

ADDITIONAL COST:
11 restaurant meals and water not covered by the program ........$175.00

PASSPORT: Participants must have a passport valid for at least six months beyond the date of departure from Peru at the end of the trip, i.e. with an expiration date no sooner than September 22, 2020.

OUTREACH TUITION (no OSU waivers or block tuition apply)..........$897.00
Students earn three "International dimension" course credits through NREM 4093. Preparatory classes before the trip will be held on Wednesday evenings starting January 15, 2020.
